Overview

Top 5 Cable Tray Manufacturers in Australia Discover top cable tray manufacturers in Australia like EzyStrut, Burndy CSS, Axelent, Brilltech, and Ozstrut.

Key Takeaways

Top Australian ladder cable tray brands include EzyStrut, Burndy CSS, Axelent, Brilltech, and Ozstrut, offering durable and compliant solutions for industrial and commercial applications. Leading Brands and Their Offerings

EzyStrut is one of Australia's most prominent cable tray manufacturers, providing a wide range of ladder trays, solid-bottom trays, and wire mesh trays suitable for commercial, industrial, mining, and LNG projects. Their products are available in steel, aluminium, or FRP, with various load capacities and cabling depths. EzyStrut also offers fire-rated and marine-compliant systems, as well as customizable solutions to meet specific project requirements, all engineered to comply with Australian standards such as AS/NZS3013:2005 . Burndy CSS (Cable Support Systems) specializes in cable trays designed for extreme conditions, including high temperatures and corrosive environments. Their ladder trays are ideal for oil and gas, mining, and power generation industries. Burndy CSS provides both standard and custom solutions, ensuring flexibility, durability, and ease of installation . Axelent focuses on innovative cable basket trays that simplify cable management in commercial and industrial settings. Their products are particularly suited for data centers, telecom installations, and electrical systems requiring frequent maintenance, offering organized, space-saving solutions with high-quality materials . Brilltech manufactures a variety of cable trays for commercial and industrial applications, emphasizing safe and efficient cable management. Their ladder trays are designed to meet diverse installation needs while ensuring long-term reliability . Ozstrut provides high-quality ladder trays, perforated trays, and solid-bottom trays tailored to the Australian market. Their products are known for ease of installation, durability, and cost-effectiveness, making them suitable for both commercial and industrial projects .

Additional Suppliers

CNW Electrical Wholesale stocks ladder trays and cable support systems from trusted Australian brands including EzyStrut, Burndy, Unistrut, and Macsim. They offer a wide range of accessories such as bolts, clamps, brackets, washers, and covers, making it a convenient source for complete cable management solutions .

Key Considerations

When selecting a ladder cable tray brand in Australia, consider:

- **Material and load capacity:** Steel, aluminium, or FRP options depending on project requirements.
- **Compliance:** Ensure products meet Australian standards and any specific fire, marine, or seismic requirements.
- **Customization:** Availability of tailored solutions for unique project needs.
- **Support and distribution:** Local expertise and nationwide distribution can simplify installation and maintenance. These brands provide reliable, durable, and compliant ladder cable tray solutions suitable for a wide range of industrial, commercial, and infrastructure projects in Australia.
