

Cambodian Galvanized Electrical Box Manufacturer

Overview

Electrical Box Manufacturers & Suppliers in Cambodia | TrademoFind Cambodia
Electrical Box manufacturers & suppliers with shipment details on Trademo. Acce.

Key Takeaways

ICM Cambodia is a key manufacturer and supplier of galvanized steel electrical products in Cambodia. Key Manufacturers and Suppliers

ICM Cambodia offers a range of galvanized steel products, including hot-dipped galvanized pressed steel tanks and structures suitable for electrical applications . While their primary focus includes water tanks and structural components, their expertise in galvanized steel fabrication makes them a reliable source for electrical enclosures and boxes. Eltekh is a leading supplier of electrical components in Cambodia, providing commercial, industrial, and utility solutions. They focus on quality, technical support, and long-term partnerships, which may include sourcing or distributing galvanized electrical boxes . ATS Cambodia specializes in electrical and automation solutions, including medium and low voltage distribution systems. They have manufacturing capabilities and a multi-brand approach, which may cover galvanized enclosures for industrial and infrastructure projects . LICA Cambodia is an electrical supplier offering innovative and reliable products. While their primary focus is on electrical solutions and components, they provide quick supply and competitive pricing, which could include galvanized electrical boxes . ISI Steel is a major steel manufacturer in Cambodia, producing high-quality steel materials. Although they focus on construction steel, their roll-forming and steel processing capabilities could support custom fabrication of galvanized electrical boxes .

Considerations for Procurement

- **Product Quality:** Ensure the manufacturer provides hot-dipped or electro-galvanized steel for corrosion resistance.
- **Customization:** Some manufacturers like ICM and ISI Steel can fabricate boxes to specific dimensions or project requirements.
- **Certifications and Warranty:** Check for product certifications and warranty terms, especially for industrial or utility applications.
- **Technical Support:** Companies like Eltekh and ATS offer technical guidance and installation support, which can be valuable for large-scale projects. For sourcing galvanized electrical boxes in Cambodia, ICM Cambodia is the most directly relevant manufacturer, while Eltekh, ATS, LICA, and ISI Steel can serve as suppliers or partners for procurement and technical support.
