

How much does a Huijue distribution box cost

Overview

Huijue HJ-501 Low Voltage Power Distribution BoxThe HJ-501 Low Voltage Distribution Box by Huijue is a durable, customizable, and safety-certified Compact.

Key Takeaways

A Huijue distribution box is priced at approximately \$5.20 per box for bulk orders.

The cost of a Huijue distribution box set depends on the type, specifications, and quantity ordered. For example, standard low-voltage electrical distribution boxes like the Huijue HJ-501 are designed for residential, commercial, and industrial applications, offering features such as stainless steel or cold-rolled steel construction, IP-rated protection, and customizable dimensions and configurations . These boxes support voltage ratings from 12V to 240V and current capacities up to 100A, making them suitable for a wide range of power distribution needs . For bulk purchases, verified suppliers list prices at \$5.20 per box, with available stock ready for distribution from locations such as Indonesia . Pricing may vary depending on customization options, shipping, and order volume. Many suppliers also offer tailored solutions for specific project requirements, including color, size, and configuration adjustments . If you are considering purchasing a Huijue distribution box set, it is recommended to contact suppliers directly through B2B platforms like go4WorldBusiness or Europages to confirm current pricing, shipping options, and warranty details . This ensures you receive accurate quotes based on your specific needs and order quantity.
