Key Takeaways

Key Irish manufacturers of cable trays include Excel Electric Group, Niedax CMS Ireland, PEMCO Ireland, and Core Distribution, offering a wide range of cable management solutions. Excel Electric Group

Based in Bluebell, Dublin, Excel Electric Group has been active since 1974 and specializes in the in-house manufacture of cable support systems tailored for the Irish and UK markets. Their product range includes extensive trunking systems and 25 mm cable trays, with over 5,000 articles including customer-specific solutions. Excel Electric primarily serves the Irish wholesale market and project-based installations, and has been part of the Niedax Group since 2019, operating alongside Niedax CMS Ltd. in Ireland .

Niedax CMS Ireland

Niedax CMS Ireland is part of the global Niedax Group, one of the largest cable tray manufacturers worldwide. They provide “Quick Fit” cable management systems and support electrical contractors across all four Irish provinces. Their services include expert advice, design support, and assistance from project planning to installation, catering to commercial, industrial, and data center projects .

PEMCO Ireland

PEMCO is Ireland's only manufacturer of PVC boxes, trunking, and conduit, with over 50 years of experience. They focus on high-quality cable containment and management systems for the electrical wholesale industry. PEMCO offers in-house manufacturing, expert consultation, and nationwide next-day delivery, ensuring durable, compliant, and efficient solutions across multiple sectors .

Core Distribution

Core Distribution supplies a comprehensive range of steel trunking, trays, baskets, and ladders suitable for various applications. They provide solutions for both standard and specialized installations, emphasizing ease of installation, aesthetics, and efficiency. Core Distribution also maintains partnerships with international manufacturers to offer a broad selection of cable management products in Ireland .

Peter Curran Electric

Peter Curran Electric, based in Galway, offers a wide selection of cable management products, including heavy-duty cable trays, flexible trunking, and cable sleeves. Their products are designed for both new installations and integration into existing setups, with a focus on durability and long-term performance. They also provide guidance on load capacity and product selection for specific projects . These manufacturers collectively cover a broad spectrum of cable tray solutions in Ireland, from standard steel and PVC trays to customized systems for industrial, commercial, and data center applications.
