

Italian professional manufacturer of electrical distribution boxes

Overview

Top 6 Electrical Cabinet Manufacturers in Italy Explore top electrical cabinet manufacturers in Italy, including E-Abel, Lafer Srl, Irinox, Gimax Srl, Dril.

Key Takeaways

Italy hosts several reputable manufacturers of electrical distribution boxes, including Master Divisione Elettrica, ETA S.p.A., Lafer Srl, Irinox S.p.A., and Gimax Srl, offering a wide range of customizable enclosures for industrial and residential applications. Key Manufacturers

Master Divisione Elettrica Founded in 1982, Master is a leading Italian manufacturer of electrical supplies for residential, commercial, and industrial use. Their product range includes surface-mounted boxes in multiple sizes and colors, as well as home automation systems and smart home solutions, making them a versatile provider for both civil and industrial applications (Master Divisione Elettrica), . ETA S.p.A. Established in 1978, ETA specializes in high-quality enclosures, cabinets, and boxes for industrial automation, LV energy distribution, and IT applications. They offer wall-mounted and freestanding enclosures, modular cabinets, junction boxes, and fully customized solutions. ETA emphasizes innovation, durability, and international standards compliance, with a strong R&D focus and global presence (ETA S.p.A.), . Lafer Srl Lafer Srl, active since the 1960s, produces electrical cabinets and enclosures, including distribution panels and switchboards. The company uses advanced automated systems and skilled personnel to ensure high-quality production, offering a comprehensive range suitable for various industrial applications while adhering to international safety standards (Lafer Srl), . Irinox S.p.A. Based in Conegliano, Irinox S.p.A. manufactures electrical enclosures and cabinets, focusing on industrial and automation sectors. They provide customizable solutions designed for reliability and precision, catering to complex applications (Irinox S.p.A.), . Gimax Srl Gimax Srl is another Italian manufacturer offering high-quality electrical cabinets and enclosures for industrial use. Their products are designed to meet specific client requirements, ensuring durability and compliance with industry standards (Gimax Srl), .

Additional Options

Other notable Italian companies include Drillereye and Megawatt S.p.A., which provide electrical distribution solutions, including low and medium voltage infrastructure, building automation, and renewable energy integration (Megawatt S.p.A.), .

Summary

Italian manufacturers of electrical distribution boxes are recognized for their quality, customization, and compliance with international standards. Companies like Master, ETA, Lafer, Irinox, and Gimax offer solutions ranging from residential surface-mounted boxes to industrial enclosures and automation systems, making Italy a strong hub for electrical distribution equipment. These manufacturers often provide tailored solutions, ensuring reliability and efficiency for diverse applications.
