

Jamaican fiber optic cable manufacturers

Overview

Jamaica Fiber Optic Cable Market (2025-2031) | Industry & CompaniesThe Jamaica Fiber Optic Cable Market is poised for steady growth rate improvements from.

Key Takeaways

CB Cabling Technologies, TELiCON Group, and Diginet Jamaica are key providers of fiber optic solutions in Jamaica, with one exclusive supplier for sub-sea fiber optic cables. Local Fiber Optic Cable Providers

CB Cabling Technologies Ltd specializes in network cabling, fiber optic solutions, server room design, and security systems. They provide structured cabling for indoor and outdoor ICT infrastructures across government, private, educational, and BPO sectors, offering both supply and installation services with certified performance standards . TELiCON Group offers a comprehensive “one-stop shop” for telecommunications, including fiber optic network design, installation, and maintenance. Their services cover IT infrastructure, PBX systems, and voice, data, video, and wireless solutions, making them a versatile provider for both commercial and residential projects . Diginet Jamaica supplies and distributes structured cabling components, including fiber optic cables, UTP cabling, telephony systems, network switches, and data center enclosures. They provide certified products with up to a 20-year manufacturer's warranty and cater to businesses of all sizes .

Sub-Sea Fiber Optic Cable

For large-scale international connectivity, Jamaica has a sub-sea fiber optic cable project aimed at reducing connectivity costs and improving digital infrastructure. The government has signed a letter of intent with Trans Americas Fiber System, which is currently the sole provider of sub-sea fiber optic cables for Jamaica. This project is expected to enhance redundancy and lower data costs for businesses and consumers .

Summary

For domestic fiber optic needs, CB Cabling Technologies, TELiCON Group, and Diginet Jamaica are the primary manufacturers and suppliers in Jamaica, offering installation, maintenance, and certified products. For international or sub-sea connectivity, Trans Americas Fiber System is the exclusive provider for Jamaica's sub-sea fiber optic infrastructure .
