

Malta Tanzania Distribution Box Manufacturer

Overview

Our expertise spans diverse industries, and we are available for in-person consultation as required.

Key Takeaways

For distribution boxes, Multi Packaging Ltd serves Malta, while Tazpack Industries Ltd and Parksons Packaging Ltd operate in Tanzania.Malta

Multi Packaging Ltd is Malta's primary manufacturer of corrugated carton products, including a wide range of boxes suitable for commercial, industrial, and domestic use . They specialize in corrugated reels, boards, and carton boxes, offering solutions for both B2B and B2C clients. Their services include product customization, ensuring that clients receive packaging tailored to their specific requirements. Multi Packaging Ltd emphasizes continuous innovation and quality control to maintain high standards in their products and services .

Tanzania

Tazpack Industries Ltd provides comprehensive box manufacturing services, including design, production, testing, and delivery . They operate a modern 500,000 square foot facility capable of handling unique and customized requests. Tazpack serves various manufacturing industries across East Africa, offering tailored solutions and rigorous quality control to meet client specifications . Parksons Packaging Tanzania Ltd is another key player, offering a broad range of packaging solutions, including paper and non-paper boxes . They focus on multiple customer segments, including healthcare, QSR, and export businesses, and provide expertise in both sales and operational support. Parksons emphasizes strategic insights and quality service, making them a reliable choice for distribution box needs in Tanzania .

Summary

- Malta: Multi Packaging Ltd – corrugated carton boxes, reels, and boards, with customization options .
- Tanzania: Tazpack Industries Ltd – custom-designed boxes with full production and delivery services ; Parksons Packaging Ltd – versatile packaging solutions for multiple industries . These companies provide both standard and customized distribution boxes, ensuring quality, reliability, and regional service coverage.
