

Recommended Irish Cable Tray Brands

Overview

Thanks to innovation and improved technology, we have evolved into a one-stop shop for Cable Tray manufacturers.

Key Takeaways

Niedax CMS Ireland and Excel Electric Group are among the top Irish cable tray manufacturers, offering high-quality, customizable solutions and strong local support. Leading Manufacturers in Ireland

Niedax CMS Ireland is part of the global Niedax Group, one of the largest cable tray manufacturers worldwide. They provide expert advice, design support, and high-quality products for commercial, industrial, and data center projects, ensuring reliable performance and value for money. Their strong presence in Ireland and Europe makes them a trusted choice for contractors and large-scale installations. Excel Electric Group, based in Dublin, specializes in in-house manufacturing of cable support systems tailored to the Irish and UK markets. They offer an extensive range of products, including trunking systems and 25 mm cable trays, with over 5,000 articles and customer-specific solutions. Since joining the Niedax Group in 2019, Excel Electric benefits from global expertise while maintaining local service and project support. Jeetmull Jaichandlall (P) Ltd. focuses on high-quality wire mesh cable trays with a variety of sizes, shapes, and finishes. They emphasize strict adherence to industry standards and offer tailored solutions for different sectors, making them a versatile option for specialized applications.

Factors to Consider

When choosing the best manufacturer, consider:

- **Product Range:** Ensure the manufacturer offers the specific type of cable tray you need (wire mesh, trunking, galvanized, or stainless steel).
- **Customization:** Ability to provide tailored solutions for unique project requirements.
- **Quality and Standards:** Compliance with industry standards and certifications.
- **Local Support:** Availability of design assistance, installation guidance, and after-sales service.
- **Experience:** Track record in Irish projects and familiarity with local regulations.

Conclusion

For most commercial and industrial projects in Ireland, Niedax CMS Ireland and Excel Electric Group are highly recommended due to their extensive product range, local expertise, and global backing. Jeetmull Jaichandlall is a strong alternative for specialized wire mesh solutions. Your choice should align with your project's technical requirements, customization needs, and support expectations .
